

Village of Hanover Park, IL
Hanover Highlands Water Main Replacement
April 16, 2024/10:00 A.M.

Project Engineer: Peter M. Kozak – Phone Number: 815-444-3394
Email: pkozak@baxterwoodman.com

Engineer's Estimate is not available for this project.

Pre-bid Conference Info

A **mandatory** Pre-Bid Conference will be held at 10:00 AM, on Thursday, March 21, 2024, at Village Hall, 2121 Lake Street, Hanover Park, Illinois, 60133. Representatives of Owner and Engineer will be present to discuss the Project. Bidders are **required** to attend and participate in the conference.

Description of Work:

The proposed construction consists of installing approximately 420 lineal feet of 6-inch, 7,130 lineal feet of 8-inch, and 2,500 lineal feet of 12-inch water main, including new hydrants, valves, and other miscellaneous items of work. The scope also includes full resurfacing of the roadways within the project area. The contract will include all work necessary to install the water main, install water service lines via directional drilling or open cut methods, reconnect existing water service lines, restore and resurface the roadway, and perform all restoration to return the area to its original condition.

Information for Bidders:

Specifications and complete bid documents may be obtained from the Village of Hanover Park website, www.hpil.org, under Bids & RFP's, beginning on **Thursday, March 7, 2024**.
