Pre-bid Conference Info

A **mandatory** Pre-Bid Conference of all prospective Bidders and/or their representatives will be held at the City at Lockport Public Works, 17112 Prime Boulevard, Lockport, IL 60441 on March 2, 2026, at 10:00 AM. A presentation of the project and Q&A will run from 10:00AM to 11:00AM. A site visit to the Division Street WWTP (425 Division St, Lockport, IL 60441) will follow immediately after from 11:00 AM to 12:00 PM. Bidders are **required** to attend and participate in the conference.

Description of Work:

The Phase 2 Project involves increasing the WWTP's capacity to 6.2 MFD DAF, 17.1 MGD DMF, and a peak flow with excess flow (total capacity) of roughly 28.56 MGD. Abandonment of old North Treatment Train. Enhanced aeration process w/ new blowers/controls. Expanded chemical phosphorus removal system. Raw Sewage Pump Station Modifications with new submersible pumps. Removal and replacement of mechanical screening equipment. New secondary clarifier. Expanded RAS/WAS Pump Station with new Control Building. New aerobic digester diffusion system and blowers. Modification of existing North Plant Solids Handling Building to serve as thickening and dewatering redundancy. New Excess flow disinfection structure. Repurpose existing final clarifier for excess flow. Replace digester blowers in existing building. Additional dewatered biosolids storage. New Administration Building and main electrical service/feed. New Maintenance Garage other miscellaneous items of work.

Information for Bidders:

All pertinent documents may be examined on the internet at www.bhfxplanroom.com. Copies of the Bidding Documents may be obtained from BHF Digital Imaging, www.bhfxplanroom.com, upon a non-refundable payment of \$150 per set for digital download or \$300 per set for printed set. Documents can be purchased only through BHF Digital Imaging.
