

**Bloomington-Normal Water Reclamation District  
Plant 3 Headworks Improvements**

January 16, 2026/2:00 PM

Project Engineer: Mark Gockowski – Phone Number: 815-444-4960

Email: [mgockowski@baxterwoodman.com](mailto:mgockowski@baxterwoodman.com)

Engineer's Estimate is not available for this project.

**Pre-bid Conference Info**

A **mandatory** Pre-Bid Conference of all prospective Bidders and/or their representatives will be held at the West WWTP, 2015 W. Oakland Avenue, Bloomington, IL on December 18, 2025, at 10:00 AM. Bidders are **required** to attend and participate in the conference.

**Description of Work:**

The proposed construction consists of:

Major rehabilitation of the existing Plant 3 Headworks building including: existing screen rehabilitation, new screenings conveyance and dewatering/compaction, a new vortex grit collector, new grit slurry pump and grit washer. Additionally, two 60" screw pumps will be replaced and one new 60" screw pump will be installed at the Far West Sewer Pump Station. New HVAC will be provided for the Plant 3 Headworks buildings (Screen Room, Washer-Compactor Room, Electrical Room, and Grit Washer Room) and gas safety equipment will be installed in Classified areas. A Manual Bar Rack Channel will be constructed. All existing slide gates will be removed and/or replaced. Miscellaneous site piping, grading, electrical, controls, architecture, mechanical, and plumbing work will be included.

**Information for Bidders:**

Copies of the Bidding Documents may be obtained from BHFx Digital Imaging, [www.bhfxplanroom.com](http://www.bhfxplanroom.com), upon a non-refundable payment of \$175 per set. **Documents can be purchased only through BFX Digital Imaging.** Not less than the prevailing rate of wages as determined by the Department of Labor or determined by the court on review shall be paid to all laborers, workmen and mechanics performing work under this contract.
