

**Village of Olympia Fields, IL**  
**Graymoor Force Main Lining**  
January 29, 2021 at 10:00 AM

Project Engineer: Michael J. Kenny – Phone Number: 815-444-3371  
Email: [mkenny@baxterwoodman.com](mailto:mkenny@baxterwoodman.com)

Engineer's Estimate is not available for this project.

**Description of Work**

The proposed construction consists of excavating access pits, soil testing, erosion control, installing approximately 4,200 feet of cured-in-place pressure pipe in an existing 6-inch force main, providing temporary bypass pumping including approximately 200 feet of 6" HDPE directional drilling under Vollmer Road, replacement of force main as necessary to install CIPP, traffic control, restoration including landscape, pavement, curb gutter and sidewalk, and other miscellaneous items of work.
