

**Village of Beecher, IL**  
**Gould Street Water Main Replacement**  
August 19, 2021/11:00 AM

Project Engineer: Peter Kozak – Phone Number: 815-444-3394  
Email: [pkozak@baxterwoodman.com](mailto:pkozak@baxterwoodman.com)

Engineer's Estimate is not available for this project.

**Description of Work**

The proposed construction consists of replacing approximately 60 lineal feet of 4-inch, 90 lineal feet of 6-inch, 2,970 lineal feet of 8-inch, and 450 lineal feet of 10-inch diameter water main by horizontal directional drilling and open cut methods including two railroad crossings. The proposed route includes installing new water main along Gould Street, from Indiana Avenue to Miller Street. Construction includes fire hydrants, valves, water service replacements, street and parkway restoration, and other miscellaneous items of work.

Any contract or contracts awarded under this invitation for bids are expected to be funded in part by a grant from the Illinois Department of Commerce and Economic Opportunity (DCEO). The procurement will be subject to the Illinois Works Jobs Program Act (30 ILCS 559/), including the Illinois Works Apprenticeship Initiative, the Business Enterprise for Minorities, Females, and Persons with Disabilities Act (30 ILCS 575/), Section 3 under the Housing and Urban Development Act of 1968, the Equal Opportunity and Fair Housing Accessibility Laws. And the National Emission Standards for Hazardous Air Pollutants (NESHAP) of the U.S. Clean Air Act, if applicable.

**Information for Bidders:**
