

Village of Park Forest, IL
2021 Water Main Improvements
December 14, 2021/2:00 PM

ADDENDUM NO. 1 ISSUED NOVEMBER 19, 2021

Project Engineer: Jay Coleman – Phone Number: 815-444-3277
Email: jcoleman@baxterwoodman.com

“5.01 A Pre-Bid Conference will be held at the time and place given in the ADVERTISEMENT FOR BIDS. Representatives of Owner and Engineer will be present to discuss the Project. Bidders are encouraged to attend and participate in the conference. Engineer will transmit to all prospective Bidders of record such Addenda as Engineer considered necessary in response to questions arising at the conference. Oral statements may not be relied upon and will not be binding or legally effective.”

Engineer’s Estimate is not available for this project.

Pre-bid Conference Info

A Pre-Bid Conference of all prospective Bidders and/or their representatives will be held virtually on Tuesday, November 23, 2021 at 10:00 A.M. Bidders are encouraged to attend and participate in the conference.

Description of Work

The proposed construction consists of approximately 13,200 LF of 6-inch and 8-inch water main installed using open-cut method and directional drilling to replace the existing water main, as well as roadway and drainage improvements. Water main installation includes new valves, hydrants, sanitary and storm sewer replacements, and other miscellaneous items of work and roadway improvements to include pavement patching; sidewalk and curb removal and replacement; storm sewer installation; and full width pavement mill and overlay of existing roadways.

Information for Bidders:

Copies of the Bidding Documents may be **obtained** from BHFx Digital Imaging, www.bhfxplanroom.com, upon a non-refundable payment of \$75.00 per set. **Documents can be purchased only through BHFx Digital Imaging.**
