Engineer's Estimate is not available for this project.

Pre-bid Conference Info

A Pre-Bid Conference of all prospective Bidders and/or their representatives will be held at the Sewage Treatment Plant which is located at 602 Crissey Avenue, Geneva, IL on Wednesday, March 29, 2023 at 10 A.M. Bidders are encouraged to attend and participate in the conference.

Description of Work:

The proposed project consists of emptying, cleaning, and inspecting the existing two (2) anaerobic digesters and their associated equipment, namely: primary and secondary digester concrete, floating digester cover and combination floating/gas-holder digester cover, gas safety equipment associated with both the primary and secondary digesters, and waste gas burner; associated work to put each digester back in operation; and other miscellaneous items of work.

Information for Bidders:

All pertinent documents may be **examined** on the internet at www.geneva.il.us. Copies of the Bidding Documents may be **obtained** from BHFx Digital Imaging, www.bhfxplanroom.com, upon a non-refundable payment of \$50 per set. **Documents can be purchased only through BHFx Digital Imaging.**
