

**Village of Beecher, IL**  
**Miller Street Water Main Replacement**  
March 12, 2026/10:00 A.M.

**ADDENDUM NO. 1 ISSUED FEBRUARY 12, 2026**

Project Engineer: Mark Kolczaski – Phone Number: 815-444-3359  
Email: [mkolczaski@baxterwoodman.com](mailto:mkolczaski@baxterwoodman.com)

Engineer's Estimate is not available for this project.

**Description of Work:**

The proposed construction consists of installation of approximately 3,000 lineal feet of 6-8-inch water main by horizontal directional drilling and open-cut methods. The proposed route includes installing new water main on Miller Street from Reed Street to Dixie Highway (IL Route 1), and Catalpa Street from Miller Street to Orchard Lane. Construction includes valves, hydrants, water service replacement, street and parkway restoration, and other miscellaneous items of work.

**Information for Bidders:**

All pertinent documents may be **examined** on the internet at [www.bhfxplanroom.com](http://www.bhfxplanroom.com). Copies of the Bidding Documents may be **obtained** from BHFX Digital Imaging, [www.bhfxplanroom.com](http://www.bhfxplanroom.com), upon a non-refundable payment of \$50 per set. **Documents can be purchased only through BHFX Digital Imaging.** The designated website will be updated periodically with addenda, lists of registered plan holders, reports, and other information relevant to submitting a Bid for the Project. All official notifications, addenda, and other Bidding Documents will be offered only through the designated website. Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated website.
