

**Village of Windsor, WI**  
**Holland Fields Stormwater Management Rehabilitation**  
February 29, 2024/10:00 AM

Project Engineer: Gary Vogel – Phone Number: 815-444-3356  
Email: gvogel@baxterwoodman.com

Engineer's Estimate is not available for this project.

**Description of Work:**

The proposed construction consists of the rehabilitation of the three stormwater management facilities within the Holland Fields subdivision to improve condition and restore function closer to the original design intent. Specifically, the project consists of removing and restoring vegetation in all facilities, dredging the facilities, replacing the existing gabion weirs with alternative structures, and other miscellaneous items of work.
