Engineer's Estimate is not available for this project.

Pre-bid Conference Info

A **mandatory** Pre-Bid Conference of all prospective Bidders and/or their representatives will be held at the West WWTP, 2015 W. Oakland Avenue, Bloomington, IL on February 14, 2024, at 10:00AM. Bidders are **required** to attend and participate in the conference.

Description of Work:

Major rehabilitation of the existing Plant 1 Headworks building including: existing screen rehabilitation, new screenings conveyance and dewatering/compacting, a new vortex grit collector, new grit slurry pump and grit washer. Additionally, new HVAC will be provided for the Plant 1 Headworks Buildings (Screen Room and Grit Washer Room) and gas safety equipment will be installed in the Classified areas of the Building. All existing slide gates will be removed and replaced. Miscellaneous site piping, grading, electrical, controls, architecture, mechanical, and plumbing work will be included.

Information for Bidders:

Copies of the Bidding Documents may be obtained from BHFx Digital Imaging, www.bhfxplanroom.com, upon a non-refundable payment of \$175 per set. **Documents can be purchased only through BHFx Digital Imaging.**
