

Village of Oswego, IL
1 MG Ground Level Storage Tank
Proposal No. 25-6070-18
September 30, 2025/10:00 A.M.

Project Engineer: Corrina Petrou – Phone Number: 815-444-3390
Email: cpetrou@baxterwoodman.com

Engineer's Estimate is not available for this project.

Pre-bid Conference Info

A **mandatory** pre-bid conference will be held on August 28, 2025, at 10:00 AM local time at Village of Oswego Village Hall, 100 Parkers Mill, Oswego, IL 60543.

Description of Work:

The project consists of installing a 1 million-gallon (MG) prestressed wire-wound concrete storage tank that will store Lake Michigan water at the Village's High Zone Receiving Station. The work will include site clearing, installing a stabilized construction entrance, installing minimal site piping, and constructing the concrete storage tank.

Information for Bidders:

Bids must be submitted electronically. All necessary documents are available through the Village's bid portal www.demandstar.com. Downloading documents and submitting Bids requires registration with "DemandStar." If you are not already a member, you can obtain a FREE AGENCY SUBSCRIPTION to the Village of Oswego account by going to www.demandstar.com/register.rsp. Instructions for DemandStar can be found on the Village's website www.oswegoil.org. Hard copy, emailed or faxed Bids will not be accepted.
