

Village of West Dundee, IL
Well No. 1 MCC Replacement
November 12, 2024/10:00 A.M.

Project Engineer: Mike Gryn – Phone Number: 815-444-3324

Email: mgryn@goconcentric.com

Engineer's Estimate is not available for this project.

Pre-bid Conference Info

A recommended Pre-Bid Conference of all prospective Bidders and/or their representatives will be held at the Well No. 1 Building at 211 Dunning Ave, West Dundee, IL 60118 on November 6th at 10:00 am.

Description of Work:

The project includes the removal of the existing MCC at the Well No. 1 Building. New power distribution equipment will be installed in the electrical room. All existing loads will be reconnected to the new power distribution equipment. The existing utility service will be modified to a 4-Wire service along with a new service disconnect and meter cabinet. There will be an alternate to deduct pricing for a new Automatic Transfer Switch and Generator Docking station.

Information for Bidders:

All pertinent documents may be **examined** on the internet at <http://www.bhfxplanroom.com>. Copies of the Bidding Documents may be **obtained** from BHFX Digital Imaging, www.bhfxplanroom.com, upon a non-refundable payment of \$75.00 per set. **Documents can be purchased only through BHFX Digital Imaging.**
