

**Village of Walworth, WI**  
**2026 Lead and Galvanized Service Line Replacement Project**  
April 7, 2026/10:00 A.M.

Project Engineer: Scott Hartay – Phone Number: 414-510-0872  
Email: [shartay@baxterwoodman.com](mailto:shartay@baxterwoodman.com)

Engineer's Estimate is not available for this project.

**Description of Work:**

The proposed construction consists of the replacement of 50 lead or galvanized service lines from the water main to the curb stop and the replacement of 50 lead or galvanized service lines from the curb stop to the residence water meter. Also included is potholing for these same service lines ahead of performing the service line replacement to confirm materials of construction for the service lines. Potholing to occur on each side of the curbstop for 50 service lines (100 potholes total) to confirm materials of construction for the 50 service lines. Also, include 50 additional curb stop locations for potholing (100 potholes total) on each side of the curbstop to confirm materials of construction for future work as shown on the Plans.

**Information for Bidders:**

All pertinent documents may be **examined** at the Village Hall at 227 N. Main Street, or on the internet at [www.questcdn.com](http://www.questcdn.com). Complete digital project Bidding Documents are available at [www.questcdn.com](http://www.questcdn.com), upon a non-refundable payment of \$32.00 per set by inputting Quest Project #10104470 on the Quest CDN project search page. Please contact QuestCDN.com at 952-233-1632 or [info@questcdn.com](mailto:info@questcdn.com) for assistance in free membership registration, downloading, and working with this digital project information.
