Email: [mgockowski@baxterwoodman.com](mailto:mgockowski@baxterwoodman.com)

Engineer's Estimate is not available for this project.

**Pre-bid Conference Info**

A **mandatory** Pre-Bid Conference of all prospective Bidders and/or their representatives will be held at Sycamore Public Works located at 475 North Cross Street, Sycamore, IL 60178 on February 3, 2026, at 10:00 A.M. Bidders are **required** to attend and participate in the conference.

**Description of Work:**

The proposed construction consists of various improvements in the Influent Pump Station at the City of Sycamore Wastewater Treatment Plant. These improvements include:

- Rehabilitation of the existing mechanical screen and washer/compactor
- New mechanical screen and washer/compactor
- Removal and replacement of (4) influent slide gates
- Removal and replacement of the potable/non-potable water system (including service sink and electric water heater)
- Removal and replacement of the HVAC system
- Removal and replacement of the lighting system
- Replacement of (2) interior doors and (1) exterior door
- New autosampler system
- Removal and replacement of the 800 kW diesel generator (Alternate 1)
- Painting of the building interior, and other miscellaneous items of work.

**Information for Bidders:**

All pertinent documents may be **examined** at the Sycamore Public Works located at 475 North Cross Street, Sycamore, IL 60178 or on the internet at [www.bhfxplanroom.com](http://www.bhfxplanroom.com). Copies of the Bidding Documents may be **obtained** from BHFX Digital Imaging, [www.bhfxplanroom.com](http://www.bhfxplanroom.com), upon a non-refundable payment of \$50 per set. **Documents can be purchased only through BHFX Digital Imaging.**
