Project Engineer: Tyler Gates – Phone Number: 815-444-3385
Email: tgates@baxterwoodman.com

Engineer's Estimate is not available for this project.

Description of Work:

The proposed construction consists of rehabilitating in place an existing 60-inch corrugated metal storm sewer generally along E. Geneva Street from S. Seventh Street to S. Eighth Street. The pipes are generally known to be in poor condition and the corrugations in the pipe reduce stormwater flow rates.

Information for Bidders:

All pertinent documents may be **examined** at the City Municipal Building at 123 South Second Street, Delavan, WI 53115 or on the internet at www.questcdn.com. Complete digital project Bidding Documents are available at www.questcdn.com, upon a non-refundable payment of \$32.00 per set by inputting Quest Project **#10110858** on the Quest CDN project search page. Please contact QuestCDN.com at 952-233-1632 or info@questcdn.com for assistance in free membership registration, downloading, and working with this digital project information. No hard copy/paper Bidding Documents will be provided. **Documents can only be purchased through Quest CDN.**
