

# BOWCARES

Caring. Giving. Serving.

## 2022 IMPACT REPORT

You're making  
**A DIFFERENCE**

UNITED  
WAY

\$49,284

Your generosity continues to help United Way support the **“211” essential services hotline**, a go-to resource available 24x7 that connects people with local resources for basic needs.

This free, confidential service pairs callers with a community resource specialist who puts them in touch with local organizations for assistance with housing, food, health care, rides, and more.

WATER FOR  
PEOPLE

\$9,204

Your donations to Water for People helped a determined science and environmental teacher in Asunción, Peru connect her school to a nearby spring so the water could be treated and provide a **safe source of drinking water for students**.

**In 2022, you helped raise \$105,468 for B&W Cares!**

Global Water Stewardship was established by Central States Water Environment Association to resolve sanitation issues in the developing world. Efforts include hosting Costa Rica's annual TICOSAN conference on **wastewater technologies and resource recovery**.

Engineers Without Borders put your contributions to work on global sanitation projects, such as constructing **28 latrines in five years** in Parque Coloni, Bolivia. Additionally, education about hygiene and healthy living was brought to local schools to reduce the transmission of E. coli.

GLOBAL  
WATER  
STEWARDSHIP

\$5,304

ENGINEERS  
WITHOUT  
BORDERS

\$5,564

## GENERAL FUND

**\$35,096**  
donated

The B&W Cares General Fund provides one-time donations to organizations supporting **special events, disaster relief, or other causes** that matter most to you!
