2023 IMPACT REPORT

**Do Good.
Have Fun.**

**You're making
A DIFFERENCE**

UNITED
WAY

\$34,580

Your generosity continues to help United Way put people on the path to financial empowerment and economic mobility.

Powered by your contributions, United Way offers access to **tax preparation assistance, skill building services, job training, credit counseling, money management programs,** and more.

WATER FOR
PEOPLE

\$7,592

Your donations to Water for People helped them open a county program office with local team members in Dodoma, Tanzania to support **region-wide water, sanitation, and hygiene planning capacity** with a focus on the Mpwapwa District.

In 2023, you helped raise \$97,788 for B&W Cares!

With your support, Global Water Stewardship hosted another successful Midwest Student Design Competition where Marquette engineering students placed first with their proposed **wastewater treatment solutions** for Bijagua, Costa Rica.

Engineers Without Borders put your contributions to work **rebuilding bridges** destroyed by flooding in the town of Bikone, located in the Kasese District of western Uganda. These bridges provide a vital social and economic link across the Mubuku River to access schools, markets, and more.
